

Wash your Hands You Filthy Animal

MANIAX IS COMMITTED TO PROVIDING A COVID-19 SAFE SPACE FOR OUR THROWERS AND OUR CREW.

What we're doing differently

We've reduced our capacity in line with government recommendations. Look how much space we've got in here! You can swing a cat (or an axe).

We've gone OCD with the cleaning. All venue furniture and equipment is cleaned and sanitised before and after every session.

Our crew are certified neat freaks. Every team member has completed the AHA COVID-19 Hygiene Course.

We're squeaky clean. Every team member sanitises their hands before and after every session, and regularly throughout.

Help us out

Don't come in if you're feeling sick. The axes can wait. Promise.

Wash your hands on the reg. We've got sanitiser all over the place. We'll need you to sanitise your hands every time you'd like to handle an axe.

X marks the spot. Please stand 1.5 metres apart.

We've gone digital! Sign our participant waiver online, in advance. If you forgot, whip out your iPhone and do it now.

Pay with your card. Nobody carries cash anymore anyway, dude.
